

# VNS2214-1

## CEILING MOUNT WIRELESS PA SPEAKER SET PA Voice Messaging and Emergency Notification

*Powerful PA Voice Messaging, Multi-Functional, Easily Expandable*

The VNS2214-1 Wireless PA Speaker set includes a VNS2210 Controller and VNS2081 Ceiling Speaker. This set can play pre-recorded audio alerts, live voice announcements, and background music. A VNS2214-1 can be activated from a Visiplex paging base station or wireless panic button as an individual speaker, as part of a group/zone or during page all messaging. The VNS2214-1 offers additional unique features such as: internal battery backup for power outage situations, wireless supervision for remote unit diagnostic and maintenance, background FM radio music, control of second speaker, and control of beacon lights for improved visual alert.

## VNS2214-1 KEY FEATURES
